It is an athlete's responsibility to carefully read the WW 'athlete agreement' and fully comply with the requirements of these legal documents regarding advertising their sponsors. Failure to do so could result in deselection. WW recognise that Athletes may have sponsors who support them in the lead up to this competition, where these sponsors have asked to be promoted by the athlete following their selection, we recommend they contact the WW Performance Pathway Manager to discuss any potential conflicts with current or potential partners.

7. Confirmation of Health, Fitness and deselection

Each selected athlete must consistently display performance-related behaviours, which provide the WW Performance team and Selection panel with confidence that they can achieve key performance targets.

The Selection panel under the advice of the WW Performance team reserve the right to de-select any athlete who fails to adhere to the terms outlined in this selection policy & the 'WW athlete agreement', or who has failed or refused to prove their form or fitness as highlighted below.

7.1 Any cause for concern over injury or illness arising from an examination or otherwise will lead to the athlete needing to demonstrate fitness at the discretion of the WW Performance Pathway Manager. The athlete will be asked to undergo a suitable fitness assessment with WW designated medicine personnel and/or the WW Performance Pathway Manager (as appropriate).

If WW wishes to request an assessment before departure for competition, then WW will provide reasonable notice of no less than 72 hours if it wishes to request an assessment.

If WW wishes to request an assessment after departure for competition, then WW may request an assessment as soon as is practically possible in the interest of athlete and staff safety.

If an assessment determines that an athlete is not fit to compete then WW may outline an appropriate course of action to resolve the situation, which may include deselection if a resolution is not deemed possible.

7.2 If it is the reasonable opinion of the WW performance team through observation of an athlete's training/competition/lifestyle does not demonstrate that they are on track to achieve agreed performance targets, then WW will be entitled to request an assessment of the Athlete's Form & Fitness. The WW Performance Pathway Manager is entitled to designate appropriate coaching or sport science & medical personnel to assess the athlete's Lifestyle, performance planning and/or

their commitment and adherence to training. The findings of this assessment will be used to determine whether the athlete can achieve agreed performance targets at the selected competition. If an assessment determines that an athlete is not fit to compete then WW may outline an appropriate course of action to resolve the situation, which may include deselection if a resolution is not deemed possible.

7.3 If an athlete displays inappropriate or unacceptable behaviour that reflects poorly on WW, themselves or other selected team members, WW is entitled to investigate the situation fully.

If the actions of the athlete cannot be resolved, negatively affect other selected team members or there is a risk that there will be a negative effect on performance of other individuals or the team at the championships, then WW may outline an appropriate course of action to resolve the situation, which may include informal or formal disciplinary action and deselection if a resolution is not deemed possible without having an impact on the performance of the team.

If WW concludes that an athlete has been found not to have met the above criteria for continued selection (7.1, 7.2, 7.3, 7.4), the selection panel at their discretion reserves the right to:

- de-select the athlete
- set further conditions of selection
- request further assessment of health & fitness.

A deselected athlete will be entitled to appeal the decision and provide written representation in accordance with the WW appeals procedure (9.0).

Subject to the conclusion of any ongoing athlete appeals the WW Selection panel reserves the right to replace a deselected athlete with another eligible athlete that demonstrates appropriate form & fitness to achieve performance objectives at this event.
